

**THE INDIAN INSTITUTE OF METALS- ANGUL CHAPTER,
NALCO NAGAR, ANGUL, ODISHA, INDIA**

Dt. 22/11/2019

Dear Sir,

It gives us immense pleasure in bringing to your kind notice that, Indian Institute of Metal (IIM), Angul Chapter, is organizing an International conference on **“INNOVATIONS IN ALUMINIUM TECHNOLOGY.....Navigating the future .. together (INALT’ 20)”** during **8th – 9th February’2020**, where professionals from Aluminium Industries, representatives of Equipment manufacturers from India & abroad, raw material suppliers from various Industries and student representatives from reputed Technical Institutions, are expected to participate, to share their knowledge and showcase the technological developments and innovations made in the field relevant to the theme of the conference. We sincerely look forward for active participation of your organization in this Conference.

A Technical Exhibition is also being organized at the Conference venue, on the said dates, where various organizations, equipment suppliers, product manufacturers and industries will be provided an opportunity to display their state of the art products and technologies.

The success of a conference primarily depends on the quality of technical papers presented, the opportunity provided to meet experts in the field, exchange of ideas on the latest developments taking place world-wide, and maybe acquiring new business opportunities, etc.

In view of above, we solicit contributions by way of technical papers, relevant to the theme of the Conference, from faculties, students & research associates from your institution, which would go a long way in making this program successful. The abstract of the papers may please be submitted to the Technical Committee, on time, for scrutiny and acceptance.

We would also like to put on record, that, there would be no registration fee for the student participants.

All other details about the conference are available in the brochure attached herewith.

For any kind of clarifications, the undersigned may please be contacted.

We look forward to receive your favorable response to make this event a grand success.

Thanking you.

Yours faithfully,

Kalol Bikash Swain
